Additionally, all eligible projects receive FastTrack support, and the Unify Dots Center of Excellence will act as the primary point of contact for FastTrack engagement. This partnership is exclusive to Microsoft partners who have certified Microsoft Dynamics 365 solution architects, adopt the Success by Design (SbD) framework, and establish a Center of Excellence (CoE).

Specializing in Business Applications, Data & AI, and Digital & App Innovation, Unify Dots delivers comprehensive solutions, including [ERP](#), [CRM](#), Customer Engagement, Ecommerce, AI, Business Intelligence, and Analytics. As a FastTrack Portfolio Partner, Unify Dots continues its strong

collaboration with Microsoft, building on more than 25 years of partnership.

Through its Center of Excellence, Unify Dots will work closely with one of the Microsoft Dynamics 365 FastTrack teams to receive proactive architectural and product guidance across all projects. This partnership reinforces Unify Dots' commitment to integrate Microsoft's Success by Design framework into every Dynamics 365 implementation, ensuring the highest standards of quality and success for clients.
