

The Diamond Oak Offers Insured, No-Obligation Jewelry Shipping

The New York City jeweler introduces risk-free shipping service for customers looking to sell fine jewelry, with full insurance coverage.

The service eliminates the concerns associated with shipping valuable jewelry by providing complete insurance coverage and transparent tracking at no cost to the seller.

The service is designed to streamline the jewelry selling process through a straightforward four-step approach that prioritizes security and customer confidence. Sellers can receive an estimate within two days of submitting their inquiry, followed by complimentary overnight insured shipping and prompt payment upon acceptance of the final offer.

The Diamond Oak's process is designed to be straightforward and customer-centric:

1. **Describe Your Jewelry:** Clients start by completing an online form with details about their jewelry, including photos, if possible.
2. **Receive a Preliminary Estimate:** The Diamond Oak's team of experts responds within two business days with an initial estimate.
3. **Ship with Confidence:** If the estimate is accepted, The Diamond Oak provides a prepaid, fully insured overnight shipping label. There is no commitment to sell at this stage.

Recent client Masooma Hussain shares her experience: "I purchased a Tiffany Soleste 1 carat Oval ring from Alon and had an amazing experience from start to finish! The ring was better than expected, beautiful with all Tiffany docs. Alon gave me an amazing price, which to be honest is the reason I was able to afford a ring that retails for >\$20k."

Another client, K.W. H., validates the company's commitment to service: "Mr. Alon gave excellent customer service and went out of his way to make sure I was completely satisfied with my purchase. About The Diamond Oak

Diamonds and Jewelry are about connection and devotion. Loved one to loved one, of course, but also buyer to seller. My intention behind The Diamond Oak (<https://thediamondoak.com/pages/about>) is not simply to sell or create fine jewelry, but to facilitate the celebration of profound moments and life's milestones with precious and meaningful gifts, to be cherished for a lifetime, and to continue as a legacy for future

generations. It is one of the reasons why I chose THE DIAMOND OAK as a name. In many cultures, it symbolizes strength, connection, and community...and "Oak" is the literal translation of "Alon" אלון from Hebrew.
