

Aplus Housing Now Offering Fully Furnished Intern Housing in Seattle

SEATTLE, WA, UNITED STATES, February 12, 2025 /EINPresswire.com/ -- Aplus Housing is pleased to announce the expansion of its corporate housing offerings to include fully furnished [intern housing](#) in the Seattle area. Designed to accommodate the needs of interns, trainees, and early-career professionals, these [rental units](#) provide a comfortable, convenient, and flexible living solution for those relocating for internships or temporary assignments.

With Seattle being home to numerous Fortune 500 companies, tech startups, and thriving industries, the demand for

quality intern housing continues to rise. Aplus Housing addresses this need by offering fully furnished accommodations with flexible lease terms, making it easier for interns to focus on their professional growth without the hassle of long-term commitments or setting up a household from scratch.

“

Our fully furnished intern housing provides a seamless living experience, allowing young professionals to feel at home from day one, while also ensuring affordability and convenience.”

Kathy Brekke

“We recognize the unique challenges interns face when relocating for temporary assignments,” said Kathy Brekke, CEO at Aplus Housing. “Our fully furnished intern housing provides a seamless living experience, allowing young professionals to feel at home from day one, while also ensuring affordability and convenience.”

Each intern housing unit includes high-quality furnishings, modern appliances, high-speed internet, and utilities, creating a move-in-ready experience. Properties are

strategically located near major employment hubs, public transportation, and vibrant neighborhood amenities to enhance the [intern experience in Seattle](#).

Aplus Housing is committed to providing safe, comfortable, and affordable housing solutions that support the career aspirations of interns and early-career professionals. This new offering further reinforces Aplus Housing's dedication to innovation and flexibility in the corporate housing industry.
