About Elite Truck School

In 2003, after a long and successful career as a professional driver, Elite Founder Greg Reisnaur saw a need for better-trained truck driving professionals in the Portland area. To meet this demand, he built a business to begin offering truck driving courses that delivered a high standard of training, all while remaining affordable and convenient for students. Today, we provide 160 hours of Class A CDL training classes, and our school is WIOA and VA-approved.
