In celebration of Valentine's Day and Love Month, Tijon Miami and its partners are highlighting unique ways to embrace romance, self-care, and connection throughout February.

A New Take on Valentine's Day Experiences

For those looking beyond traditional flowers and chocolates, Tijon Miami introduces seven creative ways to celebrate love, from crafting a personal fragrance to exploring Miami's vibrant cultural scene.

Seven Ways to Celebrate Love This Valentine's Season

1. Create a Signature Scent at Tijon Miami – The new perfume lab in Coral Gables offers a hands-on experience where couples and individuals can design a one-of-a-kind fragrance to mark the occasion.
2. Learn a Love Language – Literally – Express love in a new way with InWorld School's online courses in Spanish, French, or Korean. Whether it's "Te amo" (Spanish), "Je t'aime" (French), or "사랑해요" (saranghaeyo)" (Korean), adding a new language to a love story makes for a memorable gift. Use the special discount code InWorld20 for a limited-time offer.
3. Men's Grooming for Date Night – NuNorm offers effortless skincare and grooming solutions, including tinted moisturizer and brow maintenance, helping men look their best for Valentine's Day. Use code SELFLOVE for 20% off online on February 14th.

4. Turn a Love Story Into a Personalized Book – Websites like LoveBook allow couples to create a custom-illustrated book that tells their love story, adding a unique and sentimental touch to gift-giving.

5. Indulge in a Sensory Dining Experience – A blindfolded dining experience enhances taste and touch, creating an unforgettable culinary adventure. Couples can visit Miami-based restaurants offering sensory dining or bring the experience home for a romantic dinner in.

6. Explore the Art & Culture Scene in Miami – Stroll through the Wynwood or Design District, visit renowned galleries, admire stunning murals, and enjoy stylish cafés for a cultured and creative date night.

7. Plan a Wellness or Spa Retreat for Two – Whether at a luxury spa or with an at-home self-care ritual, Tijon Miami's line of luxurious body oils, bath salts, and aromatherapy mists makes relaxation a perfect Valentine's gift.
