“In a market where supply and demand are hard to come by, a cul-de-sac property in Fryman Estates holds more value than ever—especially when it’s a celebrity private compound with a guest house. Welcome to The Charlotte Ross Estate at 11818 Laurel Hills.” – Jimmy Heckenberg

Set on a 13,325 sq. ft. lot, the property includes a beautifully upgraded guest house with a private entrance, making it ideal for guests, rental income, or in-law accommodations. French doors throughout the home

open to a park-like backyard, where mature orange, lemon, and grapefruit trees frame a lush lawn. A newly resurfaced pebble tech pool and built-in spa, custom-built redwood decks with integrated lighting, and a Control4 surround sound system transform the outdoor space into a tranquil retreat reminiscent of the Hollywood Bowl.

Inside, the home seamlessly blends historic charm with modern luxury. Original stained-glass

windows preserve its character, while contemporary updates elevate every space. The chef's kitchen boasts Viking commercial appliances, a Bosch dishwasher, a Viking wine cooler, and a large island with granite countertops. The formal dining room flows into an open-concept living room, where a wood-burning fireplace with a custom French stone hearth sets the stage for cozy gatherings.

The primary suite is a private haven, featuring another wood-burning fireplace, dual walk-in closets, and a spa-inspired bathroom with skylights, a clawfoot tub, a glass walk-in shower, and rare French stone flooring. Thoughtful upgrades extend throughout the home, including new air ducts and insulation, two Nest thermostats, and a Tesla supercharger in the two-car garage. Additional highlights include a playroom with a loft, a guest room with a private balcony, and a dedicated office with skylights and a private entrance.

Designed for both security and peace of mind, the property sits within a firewise-approved zone, offering potential insurance savings, and rests in Flood Zone X, minimizing flood risk.

Spanning approximately 4,148 sq. ft. of living space (buyer to verify), this one-of-a-kind estate is available for private showings only.
