Each month, OpenTable analyzes nearly 2 million diner reviews from the past four months worldwide, then organizes the results by location and category to help uncover new favorite restaurants.

Since its opening, Adega Gaucha Kissimmee has stood out for its unique fusion of Gaucho tradition with the sophistication of contemporary cuisine, offering guests an

elegant and welcoming atmosphere—ideal for celebrations, special occasions, and corporate events. With a selection of premium meats, impeccable service, and a curated wine list, the restaurant has won over both locals and tourists.

This award reinforces Adega Gaucha's commitment to culinary excellence—a philosophy that began with the opening of its first restaurant, Adega Gaucha Orlando, in August 2021. Due to the brand's success and growing popularity, the expansion continues with the upcoming opening of Adega Gaucha in Deerfield Beach, promising to bring its distinctive dining experience to more

steak and Brazilian cuisine lovers.

“We are incredibly grateful to our guests for their support and for sharing their experiences on OpenTable. This award reflects our team’s effort and dedication to providing exceptional and authentic service,” said Jose Valmor de Almeida, General Manager of Adegas Gaucha Kissimmee. “It motivates us to continue raising the standard of hospitality and gastronomy at each of our locations.”

Adegas Gaucha continues to receive prestigious accolades. In 2024, its Orlando location was honored for the second consecutive year with the TripAdvisor® Travelers' Choice® Award. This esteemed recognition places Adegas Gaucha among the top 10% of the best restaurants worldwide, reaffirming its excellence and solidifying its reputation as a top-tier Gaucho-style dining destination.

With this latest achievement, Adegas Gaucha Kissimmee cements its position as one of Florida’s premier dining destinations for celebrations and special occasions.
