Month with the fifth annual Let's Talk Womxn March celebration and feast "More Than March." This year's theme, Shimmer & Shine, is hosted by over 30 Chicago area leading woman restaurateurs and entrepreneurs on Sunday, March 2, at Moe's Cantina at 155 West Kinzie Street in River North from 4:00 pm to 8:00 pm.

More Than March is Chicago's woman-powered celebration of the year, blending unabashed social and cerebral facets. This event celebrates Chicago's women's food and beverage industry owners while emphasizing that having only the month of March is not enough. Women represent half the voice, half the vote, half the workforce, and the

entire propagation of humankind. The US is behind every developed country on parity and is regressing rapidly. All male allies and women are invited to support and celebrate this action movement.

Founder of Let's Talk Womxn and restaurateur, Rohini Dey states, "Let's Talk Womxn is hosting More Than March celebrations nationwide across most of our cities. Chicago is the hub for our action movement. We believe it is more relevant than ever to celebrate women-power overtly."

More Than March will offer over 30 tasting stations and cocktails by leading Let's Talk Womxn Chicago restaurateurs, guest speakers, a high-energy female DJ with viola accompaniment, drag show, and dancing. Attendees are encouraged to come dressed in Shimmer and Shine to revel in this gourmet women's power bash. VIP admission is from 4:00 pm to 8:00 pm, and General Admission is from 5:00 pm to 8:00 pm.
