gain faith, purpose, healing, and restoration. This is for men and women of all ages seeking to recover, or are currently in recovery, a desire to learn more, or volunteer for service, and to help others. All faiths are welcome.

More than 140,000 people die annually in the US due to excessive alcohol drinking and nearly 100,000 from drug overdoses. Recovery Church Providence-RI is part of the Recovery Church Movement that began in Florida*. This new movement offers hope to people struggling with alcohol and drug addictions where God restores our hope to health. The movement is spreading and growing rapidly and saving lives. This is the 88th church to open in the US and is now expanding into other countries. Additionally, it provides opportunities for individuals to serve the community—whether through volunteerism or spiritual service. *Recovery Church Movement (RCM) was founded over a decade ago and a network of Recovery Churches reaching and training those in early recovery to grow in their faith and recovery. RCM is a bridge between the 12-Step Fellowships and the Church. We train, coach, and help people learn to become disciple-makers within the recovery community and start, plant, and reproduce Recovery Churches. <https://www.recovery.church/>
