make it even easier, we're offering a special Mother's Day package to ensure a seamless and luxurious experience. We're looking forward to a night of family, friendship, and the vibrant culture that makes Baltimore so unique."

Le Dîner en Blanc is a celebration of elegance, community, and style, where every guest contributes to creating a magical atmosphere. To maintain the event's iconic aesthetic, all attendees are required to wear a chic, all-white ensemble. Creativity and sophistication in your outfit are highly encouraged! The signature white theme extends to the table settings, which should also be entirely white. Adding to the sense of mystery and excitement, the 2025 event location will remain secret until the very last moment. Guests will meet at designated departure points and be escorted to the venue by event volunteers. In keeping with Le Dîner en Blanc's commitment to sustainability, attendees are asked to leave no trace behind, ensuring the venue is as pristine as they found it.

To fully embrace the experience, guests should bring essential items, including a table, two white chairs, a white tablecloth, and two white serviettes. A gourmet picnic basket with proper stemware and white dinnerware is also a must, though a catered basket option can be reserved online for added convenience. As a French-inspired event, only wine and champagne are served, but due to local Baltimore regulations, alcohol cannot be brought from home; instead, guests can pre-order their preferred selections through the official e-store. However, attendees are welcome to bring their own non-alcoholic beverages. Together, these details ensure a seamless and enchanting evening for all.
