Trilogy® Valor, a 55+ resort-style golf community will celebrate the grand opening of RiverSix Restaurant and Bar in March.

Treasure Valley Social Club is opening nearly 2,300 square-foot covered patio area overlooking the community lake and Falcon Crest Golf Course.

“We like to describe RiverSix as a combination of your favorite coffeehouse, your favorite neighborhood bar, and the sophisticated-yet-comfortable lounge area of your favorite destination resort,” says Valor Community Manager Melissa Tolson. “The space offers a variety of indoor and outdoor spaces to gather for dining, wine tastings, private parties, and more.”

The Treasure Valley Social Club, designed by the award-winning interior design firm TRIO, incorporates biophilic design elements, including expansive windows and rolling glass walls that blur the line between indoors and outdoors. In addition to the new restaurant and gathering spaces, Treasure Valley Social Club includes the Afturburn Wellness and Fitness Center, resort pool and spa, dedicated heated lap pool, six pickleball courts, and an outdoor fitness lawn, all which opened in January 2024. Designed as a 'base camp' for homeowners, the Treasure Valley Social Club serves as a central gathering place—a relaxing space to enjoy a drink or appetizer before heading out for nearby adventures.

“A lifestyle centered around wellness and social connection is the foundation of [Trilogy Valor](#),” says Tolson, “The amenities at the newly completed Treasure Valley Social Club make it easy for our homeowners to live their best lives. From state-of-the-art workout and recovery facilities, spaces for indoor and outdoor fitness and socializing, and now the much-anticipated RiverSix restaurant and bar, we’ve created an environment where homeowners make new connections, find friends with common interests, and continue to learn, grow, and embrace a vibrant lifestyle every day.

“The Treasure Valley Social Club is the perfect spot to meet with friends or grab a glass of wine before heading out to explore all the area has to offer. With Idaho’s incredible beauty (and a bordering 25-mile greenbelt of parks and trails along the Boise River) it’s easy to enjoy nearby hiking, biking, skiing, fishing, kayaking. And for those wanting great options for entertainment, dining, and shopping, the sidewalk cafes, museums, restaurants, and boutiques of downtown Boise are just a short drive away. It’s not surprising Forbes named this area one of the top places to retire!”

The gated Trilogy Valor community encompasses 235 acres and offers 13 one-story single family and duplex floorplans ranging from ~1,342 to ~2,584 square feet with 2-4 bedrooms, 2-3 bathrooms and 2-3 car garages.
