Founded by famed Canadian David Foster, The David Foster Foundation is a national non-profit Canadian charitable organization dedicated to providing financial support for non-medical expenses to Canadian families with children in need of pediatric organ transplants. Over the past 38 years, the Foundation has assisted over 1,450 families with children in need of life-saving organ transplants.

As one of the most successful songwriters and record producers in history, David Foster's music has touched the hearts of millions around the world. In a new initiative to

bring people together through the power of music, the curated playlist, Love Your Heart, offers a selection of David's timeless love songs, providing the perfect soundtrack for reflecting on love, hope, and resilience.

“Music has a rare and beautiful way of healing and uplifting the soul, and in honor of Heart Month, we wanted to create a special collection to share with everyone,” said David Foster, Founder and Chairman of the David Foster Foundation.

“Love Your Heart is the perfect theme to help not only draw awareness to the fact that cardiovascular heart disease is one of the leading causes of death but also the continuing need for heart and organ transplants,” added HCol. Michael Ravenhill, Chief Executive Officer, David Foster Foundation.

This exciting Spotify presence marks an important step for The David Foster Foundation in connecting with a wider audience and raising awareness for its life-changing work. As of the end of 2023, there are over 4,400 Canadians awaiting a life-saving organ transplant. This need is underscored by the fact that 90% of Canadians say they support organ donation, but only 32% have actually registered their decision.

The Foundation is known for providing financial, emotional, and logistical support to families whose children are facing the challenges of organ transplants, and now, they hope to inspire even more people to support the cause by sharing music and stories of love and resilience.

To celebrate this launch and encourage listeners to support the mission of the foundation, we invite you to follow The David Foster Foundation on Spotify and share the Love Your Heart playlist with friends and family. Whether you're reflecting on the power of love, giving, or health, David's iconic songs will offer the perfect backdrop to a month of awareness and support.
