

Ballantine Digital Named Top Industrial Marketing Services Provider by Manufacturing Outlook

RIDGEWOOD, NJ, UNITED STATES, February 14, 2025 /EINPresswire.com/ -- Ballantine Digital, a family-owned digital marketing agency specializing in the manufacturing and industrial sectors, has been recognized as one of the [Top Industrial Marketing Services Providers](#) by Manufacturing Outlook magazine. This recognition highlights the company's excellence in delivering specialized digital marketing solutions to B2B manufacturers.

The recognition comes as Ballantine Digital celebrates its successful transformation from a generalist digital marketing agency to a leading agency focused exclusively on the manufacturing and industrial sectors. The company has established itself as a trusted partner for manufacturing and industrial companies seeking to enhance their online visibility and lead generation capabilities.

"This recognition validates our commitment to serving the unique online marketing needs of B2B industrial companies," [says Ryan Cote](#), Managing Partner of Ballantine Digital. "Our deep understanding of technical digital marketing, combined with our results-driven approach, has enabled us to deliver exceptional value to our clients in an ever-evolving digital landscape."

Founded in 1966, Ballantine represents the evolution of a three-generation family business that has successfully evolved while maintaining its core values. The company offers comprehensive online marketing services, including SEO, paid advertising, social media management, content creation, email marketing, and website development, specifically tailored for manufacturing clients. Ballantine also has a thriving direct mail division that caters to large B2C brands and non-profits.

Scott Cote, VP of Ballantine Digital, adds, "This achievement reflects our digital division's successful transition into industrial marketing while maintaining the personal touch and commitment to results that have defined our company for nearly 60 years."
