

# Indian Accent New York Celebrates 8 Terrific Years

NEW YORK, NY, UNITED STATES, February 17, 2025 /EINPresswire.com/ -- Indian Accent New York is celebrating its 8th anniversary with the return of its chef's tasting menu, now available daily at dinner. This special menu, curated by Head Chef Raveesh Kapoor, celebrates both the restaurant's legacy and its ongoing innovation in contemporary Indian cuisine.

Since opening in 2016, Indian Accent New York has been a pioneer in bringing modern twists to traditional Indian dishes, earning its place as one of the city's most beloved culinary destinations. Chef Raveesh, who has been with Indian Accent since its early days, has played an instrumental role in shaping the restaurant's bold, creative approach to Indian flavours.

This anniversary tasting menu features a selection of standout dishes, including favourites from the original Indian Accent New Delhi, now making their debut in New York. Guests can enjoy the rich flavours of crab with XO balchao and dal moradabadi, alongside entirely new creations like venison chop and roast chicken with nilgiri coriander sauce, both showcasing Chef Raveesh's innovative flair. The menu will also include a wine pairing option.

Raveesh Kapoor, Head Chef, Indian Accent New York, has been with Indian Accent since its inception. Chef Raveesh joined Old World Hospitality in 2012, as a Management Trainee at Indian Accent Delhi. Over the years, Chef Raveesh rose through the ranks at Indian Accent, holding positions from Jr. Sous Chef to Sous Chef at both the Delhi and New York locations.

Says Chef Raveesh Kapoor "Celebrating eight years in New York is a special moment for all of us at Indian Accent. This anniversary marks the growth we've experienced, as we continue to
