

A' Landscape Planning and Garden Design Award Announces Comprehensive Prize Package for 2024

A' Landscape Design Award unveils extensive benefits package aimed at elevating landscape designers and advancing industry innovation globally

COMO, CO, ITALY, February 17, 2025 /EINPresswire.com/ -- The A' Landscape Planning and Garden [Design Award](#), a highly prestigious international [design competition](#), announces its

comprehensive prize package for the 2024-2025 competition period. The award program, established in 2008, recognizes excellence in landscape design, garden planning, and urban development through a rigorous blind peer-review process. This announcement marks a significant milestone in the award's mission to advance the field of landscape design by incentivizing creators and innovators to develop superior projects that benefit society.

The A' Landscape Planning and Garden Design Award addresses the growing need for sustainable, innovative, and human-centric landscape solutions in urban and natural environments. This recognition program serves as a catalyst for advancing industry standards by highlighting exceptional achievements in landscape architecture, garden design, and urban planning. The award celebrates designs that demonstrate excellence in functionality, sustainability, and aesthetic appeal while contributing to environmental preservation and community well-being.

Eligible participants include landscape architects, urban planners, garden [designers](#), municipalities, landscape design companies, and environmental design firms. The competition welcomes entries across various categories, including public spaces, residential landscapes, botanical gardens, and ecological restoration projects. Submissions for the 2024-2025 cycle are accepted until February 28th, 2025, with results announced on May 1st, 2025. Each entry undergoes evaluation based on innovation, functionality, aesthetic quality, and social impact.

The evaluation process involves a distinguished international jury panel comprising academics, design professionals, and industry experts. Entries are assessed anonymously through a blind peer-review system based on pre-established criteria including environmental sustainability, technical innovation, social impact, and aesthetic achievement. This methodology ensures fair and unbiased evaluation of all submissions.

Winners receive an extensive prize package that includes the prestigious A' Design Award winner logo, a 3D-printed metal trophy, and inclusion in the hardcover yearbook. Additional benefits encompass international exhibition opportunities, worldwide PR campaigns, translation services to 100+ languages, and invitation to the exclusive gala-night ceremony. The prize aims to provide winners with valuable tools for global recognition and professional growth.

The A' Landscape Planning and Garden Design Award maintains its philanthropic mission of fostering innovation in landscape design that enhances quality of life and environmental sustainability. By recognizing outstanding achievements in landscape architecture and garden design, the award program aims to inspire solutions that address contemporary challenges in urban planning and environmental conservation.
