

A' City Planning and Urban Design Award Announces Comprehensive Prize Package for 2024

Global Urban Design Awards Program Reveals Extensive Benefits Package Including Exhibition, Publication, and Promotion Opportunities

COMO, CO, ITALY, February 17, 2025 /EINPresswire.com/ -- A' City Planning and Urban [Design Award](#), a highly prestigious international [design competition](#), has announced its comprehensive prize package for the 2024-2025 award period. The program aims to recognize excellence in urban planning, city development, and strategic design through a rigorous blind peer-review process. This distinguished accolade celebrates innovative urban planning solutions that enhance living spaces and contribute to sustainable community development.

The award program addresses critical challenges in contemporary urban development by acknowledging designs that prioritize sustainability, accessibility, and community well-being. Through recognizing outstanding achievements in urban planning, the competition promotes solutions that respond to evolving societal needs while fostering environmental responsibility and social inclusion in city development.

Submissions are welcomed from urban planners, city architects, municipalities, landscape architects, infrastructure planners, transport planners, environmental planners, urban development agencies, and urban design consultancies worldwide. The competition encompasses various categories including master planning, urban regeneration, sustainable city development, and smart city solutions. The late entry deadline extends to February 28th, 2025, with results announced on May 1st, 2025.

Entries undergo evaluation by an international jury panel comprising renowned urban planning professionals, academics, and industry experts. The assessment criteria focus on innovation, functionality, sustainability, social impact, and technical excellence. Each submission receives

thorough consideration through a standardized evaluation process that ensures fair and unbiased judgment.

The comprehensive prize package includes the prestigious A' Design Award winner logo, a professional trophy, and an international design excellence certificate. Winners benefit from extensive global exposure through inclusion in the A' Design Award yearbook, international exhibitions, and a dedicated PR campaign. The prize additionally encompasses translation services, marketing support, and inclusion in various design classifications and rankings.

The award program serves a vital philanthropic mission by incentivizing the development of superior urban planning solutions that enhance quality of life. By recognizing and promoting exceptional urban design, the competition contributes to creating more livable, sustainable, and inclusive cities for future generations.

Urban planning professionals, municipalities, and design studios interested in participating in this prestigious competition may access detailed information about the award categories, submission requirements, and benefits at:
