“

It will grow to \$2.76 billion in 2029 at a compound annual growth rate (CAGR) of 10.9%.”

The Business Research Company

The Pet Funeral Services Global Market has witnessed swift growth in the recent years. The market size, which stood at \$1.65 billion in 2024, is predicted to soar to \$1.83 billion in 2025. The compound annual growth rate CAGR is set at an impressive 11.1%. This robust growth during the historic period has been driven by a steep rise in pet ownership, humanization of pets, growing awareness and acceptance of such services, a move towards customization, and rising pet expenditure.

The speedy growth of the [pet funeral services market size](#) is anticipated to continue in the next few years. The market projects to reach a staggering \$2.76 billion in 2029, reflecting a compound annual growth rate CAGR of 10.9%. Expansion in services, adoption of increased regulatory standards for pet cremation, growing acceptance of pet funerals, and rising disposable income are all contributing to this growth. Future trends such as the integration of advanced cremation technologies, water-based cremation methods, online memorial services, virtual memorialization options, and automated scheduling systems are expected to further fuel the market's growth.

What Drives The Pet Funeral Services Market Growth?

Increasing pet companionship rates are expected to act as major growth propellers for the pet funeral services market. These rates indicate the proportion of households or individuals owning and caring for pets, thus underlining the growing strength of pet ownership and human-animal bonds. These rates are being propelled by factors like growing awareness about the mental and emotional benefits offered by pet ownership, urbanization, and a rise in single-person households seeking companionship. Pet funeral services provide emotional support and closure to pet owners, helping them honor and memorialize their pets. The increasing pet companionship rates will therefore drive the growth of the pet funeral services market.

Who Are The Key Players In The Pet Funeral Services Market?
