

Crab War Major Update – New Queen Crabs Join the Battlefield

Charge into a new frontline with powerful Queens at the helm

KUALA LUMPUR, MALAYSIA, February 17, 2025 /EINPresswire.com/ -- Crab War, an award-winning idle game developed by Appxplore (iCandy), has received a significant update in its latest version 3.78.0, introducing new Queen Crabs, exclusive Jade Beetle skins, and a daily check-in feature. These additions aim to enhance the gameplay experience for new and existing players alike, with more opportunities to strengthen their crustacean armies.

New Queen Crabs

Players can now progress deeper into reptile-occupied territory by summoning six majestic new Queen Crabs to unleash a whole new level of devastation upon their scaly foes. Long anticipated by the Crab War community, the new Queens are designed to provide a power boost to aid in achieving new max distances as well as improved standings in tournaments and beyond.

Exclusive Jade Beetle Skins

As a token of appreciation for loyal players, this new update introduces exclusive skins for Jade Beetles. Players may log into Crab War now to receive the gift of a Jade Beetle skin, each with a special design commemorating the specific year they joined the game, a tribute to each player's dedication to fighting alongside their crab comrades in the endless battle against the reptile invaders.

Daily Rewards

A new daily check-in feature has been added, offering valuable rewards to dedicated players who log in regularly. By checking in daily, players can receive valuable resources such as pearls, gems, gene points, and more. Those who choose to upgrade to the Premier Pass get to unlock even more generous rewards, as well as a special perk that preserves the player's check-in progress.
