The Quality Business Awards honor businesses that demonstrate excellence in their field each year. Winners are chosen based on factors such as their reputation, customer feedback, and overall performance within their industry.

Ox Productions is a leading video production company in Pittsburgh, recognized for its high-quality and award-winning video production services. Ox Productions offers many different services including: commercial video production; corporate video production; drone video production; web and social media video production; event and live video production; and digital marketing services. "Our team takes great pride in creating content that stands out," says Founder & Creative Director Tim Oxenreiter. "We take a very collaborative approach with our clients to ensure we are maximizing their return on investment and bringing their vision to life."

When it came time to select this year's recipient, Ox Productions stood above the pack as a reputable company in the videography industry. Known for its skilled, experienced, and friendly team, Ox Productions has earned a strong reputation within the Pittsburgh community, with glowing reviews from countless satisfied clients. Below are just a few of the many positive testimonials from clients who were highly impressed by Ox Productions' communication and exceptional service:

"The Ox Production team is comprehensive and intentional in getting to know all clients to meet and exceed their needs no matter the occasion. The team works efficiently to record, create, and return all video productions to their clients. I would recommend Ox Productions for any event or marketing need."

"I have had the pleasure of working with Tim and Ox Productions on several projects, both professional and personal, over the years. Ox Productions has all of the capabilities and resources of a large company while providing an extremely individualized and personal experience that you would come to expect from a small business, or even more so from a friend or family member. They treat each customer as their most important, are extremely reliable and responsive, and are always flexible in helping me reach my goals. I also cannot say enough good things about the quality of the work product - the team's editing skills are truly unmatched. After having worked with Ox Productions, there is no one else I will go to with my video production needs"

The Quality Business Awards honour businesses that achieve an average quality score of 95% or higher over the previous year. To qualify, a business must receive outstanding customer reviews across at least three different platforms. Companies with excellent reputations and consistent track records over multiple years, along with minimal complaints, are awarded high scores. Additionally, businesses that actively engage with and respond to customer feedback are highly regarded. Other key criteria include a commitment to integrity, community involvement, and proactive measures to reduce environmental impact. Earning a Quality Business Award reflects a dedication to providing top-tier products and exceptional customer service.
