

ReGen Advanced Infusion & Wellness Launches New Website to Enhance Patient Experience

The updated platform offers streamlined access to advanced mental health and anti-aging treatments.

PHOENIX, AZ, UNITED STATES, February 17, 2025 /EINPresswire.com/ -- [ReGen Advanced Infusion & Wellness](#), a leading provider of cutting-edge infusion therapies, has launched a new website designed to enhance the patient experience. The updated platform offers comprehensive information on ReGen's advanced treatments, including ketamine therapy for mental health conditions and innovative anti-aging therapies.

ReGen Advanced Infusion & Wellness is excited to expand the quality of its patient offers with a newly updated and designed website. With intuitive features, patients will now experience even easier access to the clinic and information about treatments. Since its founding in 2021, ReGen Advanced Infusion & Wellness has been committed to providing patient-focused, science-backed treatments for conditions such as depression, anxiety, PTSD, [chronic pain](#), and autoimmune disorders. The clinic was established by siblings Daniel Bishop, MD, and Wendy Pitts, PA-C, who share a passion for advanced [mental health care](#).

With the addition of Brian Kummet, PA-C, and Brian Gallagher, PA-C, in 2024, ReGen Advanced Infusion & Wellness expanded its services to include regenerative and longevity treatments. These offerings—such as stem cell therapy, exosome therapy, and peptide treatments—support holistic healing, helping patients restore vitality and improve overall quality of life.

The newly launched website provides a more user-friendly experience, allowing patients to easily access detailed information about available treatments, conditions treated, and the latest news in regenerative medicine. The updated platform reflects ReGen's ongoing commitment to providing comprehensive, patient-centered care.

About Company:

Founded in 2021, ReGen Advanced Infusion & Wellness specializes in ketamine infusion therapy and regenerative medicine. The clinic offers innovative treatments for mental health conditions, chronic pain, and anti-aging, with a focus on restoring wellness and improving patient outcomes. With a dedicated team of experienced medical professionals, ReGen provides personalized, evidence-based care in a supportive environment.
