

# Ballast Services Recognized by CRN as Global Cybersecurity Managed Services Leader

*Ballast Services Named to CRN's MSP 500 Managed Security 100 List for 2025*

TAMPA, FL, UNITED STATES, February 20, 2025 /EINPresswire.com/ -- [Ballast Services](#) announced today that CRN®, a brand of The Channel Company, has recognized Ballast on its Managed Service Provider (MSP) 500 list in the Managed Security 100 category for 2025.

CRN's annual MSP 500 list is a comprehensive guide to the leading MSPs in North America. These companies deliver essential managed services that enhance business efficiency, simplify IT, and optimize return on technology investments for their customers.

“

This recognition reaffirms our team's commitment to protecting our clients' assets with innovative cybersecurity services that enable them to thrive.”

*Leslie Rudolph, Co-Founder & COO Ballast Services*

The annual MSP 500 list is divided into three sections: the Pioneer 250, which recognizes MSPs focused on the small-and-midsize-business market; the Elite 150, recognizing MSPs with a blend of on- and off-premises services for mostly midmarket and enterprise customers; and the Managed Security 100, spotlighting MSPs with cloud-based security services expertise.

The MSP 500 list showcases and celebrates MSPs that are driving growth and innovation. These solution providers empower businesses with complex technologies so they

can achieve their business goals without stretching financial resources.

Ballast Services is a global cybersecurity service provider whose core strengths include executive advisory services, professional services and secure managed services that decrease business risk and improve the reliability and security of their customers' technology. Ballast helps companies

Ballast Services recognized as global leader in cybersecurity managed services

through some of their toughest challenges through a tenacious approach to quality, focused on iterative cybersecurity improvements.

"The solution providers on our 2025 MSP 500 list deliver innovative managed services portfolios that enable clients of every size to be more agile and optimize their IT budgets as they grow their business," said Jennifer Follett, VP of U.S. Content and executive Editor CRN, at The Channel Company. "These are the companies that anticipate client tech needs and develop groundbreaking services and solutions that let customers focus on their core business so they can accelerate success."

"Being named to CRN's MSP 500 list in the Managed Security 100 category reflects our proven track record of delivering exceptional cybersecurity services," said Leslie Rudolph, Co-Founder and COO of Ballast Services. "In today's dynamic threat landscape, businesses need a strategic partner who truly understands their operations and can effectively address complex security challenges. This recognition reaffirms our team's commitment to protecting our clients' assets with innovative cybersecurity services that enable them to thrive."

The MSP 500 list will be featured in the February 2025 issue of CRN Magazine and online at [www.crn.com/msp500](http://www.crn.com/msp500) beginning February 10.
