Emphasizing hands-on training, continuous support, and collaborative learning, CEO Chad Warzeka shares insights into how franchisees thrive within this innovative model.

What gave Cory Tuley the confidence to invest in a Baja Smoothies franchise? “Cory witnessed the process firsthand. It was important for him to see that we had a proven model, and that gave him the confidence to join.”

What makes the Baja Smoothies training approach stand out?

“Our training goes beyond operations. It’s about building confidence and setting franchisees up for long-term success. I ensure I’m physically present during key stages of their journey, helping them through everything from smoothie preparation to marketing. I also make myself available 24/7 by phone, so they know they’ll never have to navigate any challenges alone.”
