The Macallan TIME : SPACE is a monumental release, featuring an 84-year-old single malt distilled in 1940, representing the brand's rich heritage. This exceptional whisky has matured in two hand-selected casks—a first-fill American oak butt and a second-fill European oak butt, both seasoned with sherry in Jerez de la Frontera. Bottled at 43.4% ABV, this release offers a rich natural color and a full, long-lasting flavor unique to a malt of this great age.

This debut also serves as a prelude to an ultra-exclusive tasting event planned for Q2 2025, where Red Phone Booth will curate an unparalleled experience celebrating The Macallan's 200-year legacy and the artistry of fine products offered in our walk-in humidor and spirits.
