

# Digital Beachhead Inc. Achieves Authorized C3PAO Status in the CMMC Ecosystem

*Cybersecurity Maturity Model Certification (CMMC) is a Dept of Defense requirement to enhance data protections.*

COLORADO SPRINGS, CO, UNITED STATES, February 18, 2025 /EINPresswire.com/ -- [Digital Beachhead](#) Inc., a leading provider of cybersecurity solutions and compliance consulting, proudly announces its designation as an Authorized CMMC Third-Party Assessment Organization (C3PAO) within the Cybersecurity Maturity Model Certification (CMMC) ecosystem. This milestone underscores Digital Beachhead's commitment to enhancing cybersecurity readiness and compliance for Defense Industrial Base (DIB) organizations.

The CMMC program, led by the Department of Defense (DoD), is designed to safeguard controlled unclassified information (CUI) and strengthen the cybersecurity posture of contractors working with the federal government. As an Authorized C3PAO, Digital Beachhead is now equipped to conduct official CMMC assessments, ensuring that organizations meet the necessary cybersecurity maturity levels required to participate in DoD contracts.

“

We are honored to be recognized as an Authorized C3PAO”
