

# Danny Wright Releases New Album- 'Stage To Screen' Featuring Piano Renditions Of Movie and Broadway Show Music

DALLAS, TX, UNITED STATES, February 18, 2025 /EINPresswire.com/ -- Pianist and composer Danny Wright has announced the release of his latest album, "[Stage To Screen](#)," featuring [piano renditions](#) of beloved movie and [Broadway](#) songs. The album, which was released on February 1st, 2025, showcases Wright's unique talent for bringing classic songs to life through his emotive and captivating piano performances.

"Stage To Screen" is a collection of 13 tracks, each featuring Wright's signature style of blending classical and contemporary elements to create a truly mesmerizing listening experience. The album includes renditions of iconic songs from popular movies such as "The Sound of Music,"

"Born Free" and "The Muppet Movie " as well as Broadway favorites including an Andrew Lloyd Weber medley, "Corner Of The Sky" from Pippin and "Try To Remember" from the Fantastiks. "Stage To Screen is one of my favorite albums ever" says Wright. "My passion for the beautiful music from the silver screen and Broadway comes shining through".

Wright, who has been hailed as a "piano sensation" by critics, is known for his ability to evoke emotion and transport listeners through his music. With "Stage To Screen," he takes on the challenge of reimagining well-known songs and infusing them with his own unique touch. The result is a stunning album that pays tribute to the magic of both the big screen and the Broadway stage.

Fans of Wright's previous albums, which have sold over 8 million copies worldwide, are eagerly
