Relax with crystal-clear water! The FROG® Serene system keeps your hot tub clean, fresh, and gentle on skin—with less chlorine!

The company's commitment to simplified water maintenance has resonated strongly with busy families seeking hassle-free hot tub solutions. A recent customer success story showcases how Pelican Outdoor Shops' expert recommendations transformed one family's hot tub experience from a maintenance burden into a reliable source of relaxation.

“

Hot tub maintenance shouldn't be a full-time job. Our mission is to help customers spend less time on water chemistry and more time enjoying their investment”

Cherie O'Connor

"Hot tub maintenance shouldn't be a full-time job," states Cherie O'Connor, Head of Customer Experience at Pelican Outdoor Shops. "Our mission is to help customers spend less time on water chemistry and more time enjoying their investment."

Key benefits of the recommended FROG® @Ease system

include:

- Automated chlorine regulation technology
- Skin-friendly sanitization approach
- Self-indicating replacement notifications

- Crystal clear water maintenance
- Reduced chemical handling requirements

The company's success stems from its comprehensive approach to customer support, combining:

- Expert product knowledge
- Personalized solution recommendations
- Ongoing maintenance guidance
- Quality product selection

"We've seen a significant increase in customer satisfaction since introducing smart water care solutions," O'Connor adds. "Our expertise lies in matching customers with systems that align with their lifestyle needs."
