

West Shore Home Introduces Advanced 3D Bathroom Design Technology to Ocala Homeowners

West Shore Home launches Evoke, a cutting-edge 3D design tool, empowering Ocala homeowners to visualize and customize their dream bathrooms in real-time.

OCALA, FLORIDA, UNITED STATES, February 19, 2025 /EINPresswire.com/ -- [West Shore Home](#), the trusted name in bathroom, window, and door remodeling, has unveiled [Evoke](#), an innovative digital design platform that brings bathroom renovation dreams to life for Ocala homeowners through immersive 3D technology.

This state-of-the-art visualization tool transforms the [bathroom remodeling](#) experience, enabling customers to create and explore their ideal bathroom design through an intuitive, web-based platform. Evoke's cutting-edge technology allows homeowners to experiment with various design elements in real-time, ensuring complete satisfaction before installation begins.

“

Florida homeowners are increasingly tech-savvy and value-conscious, Evoke empowers them to make informed decisions by providing an incredibly realistic preview of their bathroom transformation.”

Al Patel, Chief Marketing Officer

The platform allows users to explore endless design possibilities, including: customizable wall surround patterns and solid surface options, various hardware finishes and fixture selections, tub-to-shower conversion visualizations, multiple shower door and curtain options, and comprehensive accessory placement visualization.

“In Florida's competitive home improvement market, Evoke sets us apart by eliminating the guesswork from bathroom remodeling,” added Al. “Customers

can now share their exact vision with family and friends and collaborate directly with our design consultants through the platform."

The platform includes integrated support features, allowing users to connect with West Shore Home's expert team through online chat for guidance and advice.
