SAN FRANCISCO, CA, UNITED STATES, February 19, 2025 /EINPresswire.com/ -- Lady Nightmare, the highly anticipated debut novel from Arizona-based author Rachel M. Yoldi, is set to hit shelves on February 25, 2025. This dark, high-stakes fantasy marks the first book in The War of the Old Gods series and promises to captivate readers with its compelling mix of magic, danger, and deception.

“

Lady Nightmare is just the beginning. Join Keres as she faces rising conflict, political intrigue, ancient magic, and the fight to define her own identity—I can't wait to share her journey with you.”

*Rachel M. Yoldi*

The story follows Keres Von Kesting, a woman on the run with a dark past she desperately wants to escape. Forced into hiding, Keres yearns for a normal life, but the powerful magic she carries and the secrets she hides threaten to

unravel everything she's worked to protect. Living quietly under the protection of her best friend Hez and his coven of witches, Keres pretends that her shadowy magic is no different from theirs, even as she knows her power is far more dangerous than anything the coven has encountered.

When a chance encounter leads to her arrest for forged citizenship papers, Keres is presented with an ultimatum: recover a list of missing artifacts or risk losing everything she's worked to protect. Thrust into the heart of a political conflict between the Cristatan government and a rising rebellion, Keres uncovers a shocking truth: there's someone else out there with magic just like hers.

Lady Nightmare is the first book in an epic fantasy adventure filled with high stakes, unexpected twists, and a protagonist whose choices could either save or destroy everything she holds dear. Readers will be taken on a journey through a world of political intrigue, personal discovery, and the darkness lurking beneath the surface of magic.

"Writing The War of the Old Gods series has been a lifelong dream of mine, and I'm beyond excited to finally share it with readers," said Yoldi. Inspired by Greek and Norse mythology, the story explores themes of identity, fate, and the choices that shape us, all against a backdrop of political intrigue, ancient magic, and rising conflict. I can't wait for readers to embark on this journey with Keres and see where her path leads."
