

Alpha Dent Removal to Expand PDR Business to New Suburbs with Special Towing Assistance

Paintless dent repair service is now expanding in Perth and across suburbs with advanced ready to use kits, and towing services for short and long distances.

WILLETTON, WESTERN AUSTRALIA, AUSTRALIA, February 20, 2025

/EINPresswire.com/ -- After a busy year of dealing with major or minor vehicle dent repairs, Alpha Dent Removal prides itself in upgrading its services.

Upholding its unrivaled reputation as an unmatched [dent removal Perth](#) company, the team has decided to serve across other areas including Cannington, Rossmoyne, Welshpool, Queens Park, St James, Bentley, Beckenham, Murdoch, and more. This expanded coverage is a convenient way to offer on demand support to a huge audience anywhere in Perth and across suburbs.

“Alpha Dent Removal expanded to make paintless dent repair services more accessible to car owners in Perth and across suburbs.”

Alpha Dent Removal was leveraging the towing assistance for clients from third party sources. Finally, the team decided to launch their own towing service. This is a quick, safe, reliable, and brand new approach. The idea behind this smart move is to support car owners by picking their vehicles from anywhere and anytime. Using luxury and durable trucks, the drivers safely tow cars of any make and model. Many car owners struggle to find the right dent repairs at the time of emergency and this business strategy strives to reconcile this gap.

The Alpha Dent Removal is now equipped with ready to use kits to serve car owners faster, better, and smarter dent removal assistance than ever. This strategic upgrade efficiently gives vehicles their lost shine back and ensures to provide quick results while maintaining a high standard of quality. It not only speeds up the repair times but also slashes the harmful elements enter into the environment.
