

Uniguard Launches New Website to Enhance Customer Experience and Showcase Full Range of Services

Uniguard, a leading facilities management and security services company in the UK, is thrilled to announce the launch of its newly redesigned website

BIRMINGHAM, UNITED KINGDOM, February 19, 2025 /EINPresswire.com/ -- Uniguard, a leading [facilities management](#) and [security services company](#) in the UK, is thrilled to announce the launch of its newly redesigned website, aimed at better serving its wide range of clients across housing, retail, infrastructure, and other sectors.

The new website offers a modern, user-friendly interface that makes it easier than ever for businesses and facilities managers to explore Uniguard's comprehensive suite of services, including building maintenance, security, professional cleaning, and washroom supplies. With enhanced navigation, detailed service descriptions, and direct access to tailored solutions, Uniguard's new digital home reflects its commitment to delivering outstanding customer-focused solutions.

Key Features of the New Website:

Streamlined Navigation: Visitors can effortlessly find the information they need, including service offerings, accreditations, and customer testimonials.

Comprehensive Information: Each service—security, facilities management, and cleaning—has been expanded with in-depth details to help clients make informed decisions.

Ease of Interaction: An intuitive "Get a Quote" feature allows businesses to initiate bespoke consultations quickly and easily.

Customer Support Access: Operating 24/7, the dedicated help desk ensures customers receive timely assistance from Uniguard's expert team.

Testimonials and Case Studies: Real stories from satisfied clients highlight Uniguard's trusted partnerships and proven results.

"Our new website reflects who we are as a company—innovative, thorough, and client-focused," said Harry Hussain, Managing Director. "We've built this platform to inspire confidence and to better communicate how Uniguard's bespoke facilities solutions can help businesses thrive by

focusing on what matters most.”

Enabling Businesses to Thrive

The website relaunch aligns with Uniguard’s broader mission of creating safer, cleaner, and healthier workspaces for its clients. This upgrade highlights Uniguard’s expert capabilities, trustworthiness, and dedication to providing tailored support for businesses of all sizes across the UK.

About Uniguard

Uniguard is a UK-based leader in facilities management and security services. Built on principles of integrity, innovation, and customer focus, Uniguard specialises in developing bespoke solutions that meet diverse client needs. With over 50 years of combined experience, the company serves businesses across housing, retail, infrastructure, and other industries.
