HONOLULU, HI, UNITED STATES, February 19, 2025 /EINPresswire.com/ -- Locally owned and operated leading solar energy company [Sunspear Energy](#) has been named the [EnergySage](#) Installer of the Year for 2025 in Hawai'i. This recognition highlights Sunspear's commitment to providing top-quality solar and battery storage solutions to homeowners across O'ahu and Hawai'i Island.

"Winning this award is truly an honor," said Jeff Kaemmerlen, CEO and Founder of Sunspear Energy. "At

Sunspear, we're dedicated to delivering the best solar products and providing expert installations and outstanding customer service. EnergySage sets the gold standard for online solar shopping and providing homeowners a wealth of solar knowledge, and we're proud to be part of their platform. This award reaffirms our promise to keep Hawai'i powered by the sun with reliable, cost-effective solar energy solutions."

EnergySage, the nation's most trusted online solar marketplace, honors top installers yearly based on customer reviews, industry expertise, and overall impact. Sunspear and EnergySage have enjoyed a strong partnership since 2024, when EnergySage first opened its consumer-focused marketplace to Hawai'i homeowners, working together to empower thousands of customers to embrace solar and energy storage with access to clean home energy solutions.

"We're proud to celebrate these outstanding installer partners who are setting the standard for quality and service in the clean energy industry," said Charlie Hadlow, President and Chief
