

Public Education Expert Launches Nationwide Reform Tool

What Will Public Education Look Like in 2035?

A New Book "A Level Playing Field" Offers a Bold Vision.

MEMPHIS, TN, UNITED STATES, February 19, 2025 /EINPresswire.com/ -- How can schools adapt to rapid changes and ensure success for every student? Brian J. Stephens answers these critical questions in his groundbreaking new book, "A Level Playing Field: Strategies to Ensure Public Schools' Success." This must-read release challenges the status quo, delivering powerful predictions and actionable recommendations to navigate the future of education in the United States.

In a time of unprecedented change and uncertainty, "A Level Playing Field" dives deep into the forces reshaping public education. With expert analysis, compelling survey data, and innovative strategies, Stephens provides a clear roadmap for educators, parents, and policymakers who are committed to leveling the playing field for public schools.

“

Public schools must embrace competition and actively demonstrate to their communities why they are the best choice for educating children. It's not just a right to compete - it's a duty.”
