

Eyecon | RxSafe, PharmaComplete, and LTC@Home Network Forge Strategic Partnership

Collaboration to Elevate Pharmacy Business Transformation

VISTA, CA, UNITED STATES, February 21, 2025 /EINPresswire.com/ -- Eyecon | RxSafe, a leader in pharmacy automation and compliance packaging, is proud to announce a strategic partnership with [PharmaComplete](#) and the [LTC@Home Network](#) to enhance pharmacy business transformation. This collaboration integrates cutting-edge automation, operational efficiency, and expert consulting to help pharmacies streamline workflows, improve patient outcomes, and drive sustainable growth.

The graphic features a man, Eric Holland, standing next to a pharmacy automation machine labeled 'RapidPakRx'. To the right, there is a 'PRESS RELEASE' banner with logos for 'eyecon RxSAFE', 'PHARMA COMPLETE', and 'LTC@H'. Below the logos is a portrait of Paul Shelton, President of PharmaComplete Consulting Services and CEO of LTC@Home Pharmacy Network. A list of benefits includes: 'Advanced Automation', 'Better Patient Care', and 'Stronger Pharmacies'. At the bottom, it says 'eyecon RxSAFE EMPOWERING PHARMACIES THROUGH INNOVATION' and 'An ITVV Company'.

RxSafe's innovative compliance packaging solutions, including [RapidPakRx](#) with 'tear anywhere' pouch packaging and RapidCardRx, both with visual verification, provide pharmacies with a seamless approach to accuracy, adherence, and efficiency. To further strengthen these services, RxSafe is integrating the expertise of Paul Shelton and PharmaComplete, offering advanced consulting services tailored for long-term care at home.

“

With today's evolving pharmacy landscape, efficiency, accuracy, and patient-centric care are more critical than ever.”

Eric Holland, Business Unit Manager, Eyecon | RxSafe

Paul Shelton, an expert in pharmacy operations and automation, has helped pharmacies scale their businesses while improving profitability. Through PharmaComplete and the LTC@Home Pharmacy Network, he develops innovative models to support patients at home, reduce hospitalizations, and enhance care.

“With today's evolving pharmacy landscape, efficiency,

accuracy, and patient-centric care are more critical than ever,” said Eric Holland, Business Unit Manager of Eyecon | RxSafe. “By combining Eyecon | RxSafe’s advanced automation with Paul Shelton’s consulting expertise, we are equipping pharmacies with a comprehensive strategy to expand their impact and future-proof their business.

Join us in Booth #6 with PharmaComplete and the LTC@Home Network, featuring Paul Shelton, at AtriumX on February 28th in Orlando, FL. Together, we’ll be showcasing innovative solutions in pharmacy automation and medication management.
