The Butterfly Sculpture Garden will feature stunning butterfly art installations, symbolizing transformation, love, and remembrance. This unique addition will provide a serene and inspiring environment for visitors, honoring the legacy of love passed through generations as peaceful sanctuary, inviting the community to reflect, connect, and enjoy the vibrant artistry incorporated into the park. Nestled within this vibrant new garden, visitors will also enjoy a revitalized view of the historic Sperry Fountain, a beloved landmark that has graced Lake Eola since 1916. The integration of the fountain into the project underscores its enduring significance as a symbol of Orlando's rich history and ongoing dedication to preserving its cultural heritage.

"We are honored to be part of this significant project that brings art, nature, and community together," said Ariel Padilla, CEO of APD Construction. "The Grandmother's Legacy of Love
