

A' Hospitality, Restaurant and Catering Products Design Award Announces Final Call for Entries

International Design Competition for Hospitality Products Seeks Innovative Entries from Global Designers and Manufacturers Until February 28

COMO, CO, ITALY, February 20, 2025

[/EINPresswire.com/](https://www.einpresswire.com/) -- The A'

Hospitality, Restaurant and Catering

Products [Design Award](#), a highly

regarded international design

competition established in 2008,

announces its final call for entries for

the 2024-2025 competition period. This

prestigious accolade celebrates excellence in hospitality product design through a

comprehensive evaluation process that recognizes innovative solutions in the hospitality sector.

The competition represents a significant platform for [designers](#) and manufacturers to showcase their contributions to advancing the hospitality industry through superior design.

The award program addresses contemporary challenges in the hospitality sector by recognizing designs that enhance operational efficiency, user experience, and sustainability. Notable past laureate Reyhan Tuncer earned recognition for the Celesta Handcrafted Plate, demonstrating how innovative design can elevate dining experiences while maintaining functionality. The competition serves as a catalyst for innovation in hospitality product design, encouraging solutions that benefit both service providers and end-users.

Categories span the full spectrum of [hospitality products](#), including restaurant furniture, catering equipment, hotel amenities, and tableware. The competition welcomes entries from individual designers, design studios, manufacturers, and brands worldwide. Submissions remain open until February 28, 2025, with results announced on May 1st, 2025. Participants may submit their work through a two-stage process, beginning with a preliminary evaluation followed by a final nomination.

Entries undergo evaluation by an international jury panel comprising academics, industry

Hospitality Product Awards 2025

professionals, and design experts. The assessment process employs blind peer-review methodology, examining submissions based on innovation, functionality, aesthetic appeal, sustainability, and commercial viability. Each entry receives thorough consideration through standardized evaluation criteria, ensuring a fair and comprehensive assessment.

Winners receive the comprehensive A' Design Prize package, including the A' Design Award winner logo license, trophy, and certificate. Laureates gain international exposure through inclusion in the yearbook, exhibition opportunities, and an extensive PR campaign. The award program provides a platform for winners to showcase their achievements to a global audience of industry professionals, media representatives, and potential clients.

The A' Hospitality Products Design Award aims to advance society by promoting designs that enhance service quality, operational efficiency, and user satisfaction in hospitality environments. Through recognition of exceptional design work, the program encourages the development of products that contribute to improved hospitality experiences worldwide.

Hospitality Product Designers, manufacturers, brands, and design studios interested in participating in this prestigious competition may access detailed information and submission guidelines at:
