

# DataArt Included in the IAOP Global Outsourcing 100® List for the Second Time

NEW YORK, NY, UNITED STATES,  
February 20, 2025 /EINPresswire.com/  
-- DataArt, a global software engineering firm that delivers breakthrough data, analytics, and AI platforms, proudly announces it has been listed among the world's best 100 outsourcing service providers and advisors by the International Association of Outsourcing Professionals (IAOP).

The Global Outsourcing 100, now in its nineteenth year, is a prestigious annual listing recognizing the world's top outsourcing service providers. These lists, which encompass The Global Outsourcing 100 and its sub-lists, serve as indispensable resources for companies seeking to establish or expand relationships with the industry's foremost firms providing a diverse range of outsourcing services, beyond just information technology and BPO to include facility services, real estate, HR, financial services, banking, manufacturing, and more.

"We see ourselves as more than just a software services provider—we're a trusted technology partner, delivering value at every stage of collaboration. Our focus is on solving complex challenges for our 400+ clients worldwide, and we deeply appreciate their trust in us," said Alexei Miller, Managing Director at DataArt. "This goes beyond traditional outsourcing; it means taking shared responsibility for project strategy, deeply understanding our clients' industries, and ensuring agility and top-quality execution. Our approach combines deep industry knowledge with advanced innovation, helping businesses leverage high-quality data solutions to make smarter decisions, optimize operations, and stay ahead in an ever-evolving digital world".

The 2025 Global Outsourcing 100 list is based on applications received. Judging is based on a rigorous scoring methodology that includes an independent review by an independent panel of IAOP customer members with extensive experience in selecting outsourcing service providers and advisors for their organizations.

"In an era defined by extraordinary technological advancements and digital transformation, the 2025 Global Outsourcing 100® highlights the outstanding achievements of service providers and advisors who continue to lead and innovate. This year's honorees have not only risen to the

challenges of a rapidly evolving landscape but have set new benchmarks for excellence in the industry. We warmly congratulate DataArt on earning a well-deserved place among the world's elite," said Debi Hamill, CEO of IAOP.
