This represents the fourth year in a row the firm has won this award.

The annual WealthBriefing WealthTech Americas Awards program recognizes the most innovative and exceptional firms, teams, and individuals. The awards have been designed to showcase outstanding organizations grouped by specialism and geography, which the prestigious panel of independent judges deemed to have 'demonstrated innovation and excellence during the last year.'

Each of these categories is highly contested and is subject to a rigorous process before the ultimate winner is selected by the judges. It is this process that makes WealthBriefing awards so prized amongst winners.
