

Scrut recognized as a Top GRC Software in 2025 G2 Best Software Awards

Among the 1% of G2 software vendors to achieve this award.

MILPITAS, CA, UNITED STATES, February 20, 2025 /EINPresswire.com/ -- [Scrut Automation](#), a leading Governance, Risk, and Compliance (GRC) platform, today announced it has been named one of the top 50 Best GRC Software in G2's 2025 Best Software Awards.

"This recognition from G2 is particularly meaningful to us because it comes directly from our customers — the compliance, risk, and security leaders who trust our platform every day," said Aayush Ghosh Choudhary, Co-Founder and CEO of Scrut. "Our mission has always been to turn compliance from a roadblock into a growth enabler, and this award affirms that we're delivering on that promise. We're grateful for our customers' trust and feedback, which continues to drive our innovation."

As the world's largest and most trusted software marketplace, G2 reaches 100 million buyers annually. Its annual Best Software Awards rank the world's best software companies and products based on authentic, timely reviews from real users. This achievement reflects Scrut's [commitment](#) to transforming governance, risk, and compliance for businesses worldwide.
