

# Unigen to Showcase AI Products for Gate Security at FENCETECH 2025

NEWARK, CA, UNITED STATES, February 20, 2025 /EINPresswire.com/ -- Unigen, a global leader in the design and manufacturing of industrial and enterprise grade OEM products, as well as a provider of comprehensive Electronic Manufacturing Services, is gearing up for FENCETECH 2025 in Salt Lake City, Utah from February 26-28, 2025. This event is the premier annual trade event for manufacturers and suppliers to the fence, gate, and perimeter security industries.

Visit our booth (#828) to see [Cupcake](#), Unigen's Ruggedized Compact Edge AI Server in action with live multi-stream video tracking for safety and surveillance. Unigen will also showcase Poundcake Inference Server with 8x integrated Unigen [Biscotti](#) E1.S AI Modules with fully integrated Video Management System (VMS) capable of handling up to 100 live streams concurrently.

## About Unigen Corporation

Founded in 1991, Unigen is an established global leader in the design and manufacture of OEM products including SSDs, DRAM modules, NVDIMMs, Enterprise IO and AI solutions. Unigen also offers a full array of Electronics Manufacturing Services (EMS), including design, quick-turn prototyping, new product introduction, volume production, supply chain management, assembly & test, and aftermarket services. Headquartered in Newark, California, the company operates state-of-the-art manufacturing facilities (ISO-9001/14001/13485 and IATF 16949) in the heart of Silicon Valley as well as offshore in Vietnam. Unigen offers its products and services to customers worldwide targeting a broad range of end markets including automotive, computing and storage, embedded, medical, AI, robotics, clean energy and IoT.
