

# Zion Health Inc. Introduces Hydrating Cream: A Moisture-Rich Formula Supporting Collagen Formation

*Zion Health Inc. Introduces Hydrating Cream – A Moisture-Rich Formula Supporting Collagen Formation for Softer, Resilient Skin*

SOUTH SAN FRANCISCO, CA, UNITED STATES, February 21, 2025 /EINPresswire.com/ -- Zion Health Inc. announces the release of its [Hydrating Cream](#) – [Moisturizing](#) Day Cream with Hyaluronic Acid & PCA, formulated to provide long-lasting hydration while supporting collagen formation for softer, more resilient skin. Developed with a blend of plant extracts, vitamins, and mineral-rich clay, this lightweight formula is designed to help maintain moisture balance and support the skin's natural renewal process.

The Hydrating Cream features ionic clay minerals, known for their ability to deliver essential nutrients while helping to detoxify the skin. Hyaluronic acid helps retain moisture, keeping the skin hydrated throughout the day.

Cloudberry seed oil, rich in antioxidants, works to reduce the visible effects of environmental stressors, while *Fagus sylvatica* bud extract supports cellular oxygenation to promote healthier-looking skin. Additional key ingredients such as safflower oil, vitamins A, C, and E, and omega fatty acids work together to nourish and strengthen the skin barrier.

Key Benefits

Zion Health Inc's Hydrating Cream utilizes elite ingredients, such as clay minerals, hyaluronic acid, and plant extracts, to soothe and rebuild from the inside out.

Deep Hydration – Hyaluronic acid and sodium PCA help retain moisture for long-lasting hydration.

Supports Collagen Production – A combination of vitamins, minerals, and plant extracts supports skin elasticity and resilience.

Rich in Antioxidants – Cloudberry seed oil and vitamins A, C, and E provide protection against environmental stressors.

Skin Barrier Support – Omega fatty acids and phytosterols enhance the skin's ability to retain moisture and defend against external aggressors.

Lightweight and Fast-Absorbing – A non-greasy formula that absorbs easily, making it suitable for daily use.

#### How to Use

Apply gently to the face, neck, and hands. For best results, use daily before makeup application. Avoid direct contact with the eye area.
