

'Small Talk' by Toronto's Isla-Maria is #1 on Music's Leading Platform for Indie Artists

TORONTO, CANADA, February 21, 2025 /EINPresswire.com/ -- [aBreak Music](https://aBreakMusic.com/), music's leading international indie artist discovery platform, announces that 'Small Talk' by [Isla-Maria](https://www.instagram.com/iamariamaria/) is the newest #1 on the aBreak58. Check it out at aBreakmusic.com.

Despite her young age, Toronto, Canada's Isla-Maria has already cultivated a distinctive style uniquely her own. Her innate songwriting abilities contribute significantly to her identity as an independent artist - empowering her penchant for pushing boundaries, while skillfully navigating the realms of love, heartbreak, and the roller coaster of emotions that define teenage existence. Isla-Maria sings with the authenticity and depth of an artist well beyond her years.

'Small Talk' is about keeping things light and easy in a relationship - not always wanting to fully commit yet still falling head over heels for someone. "I wanted to capture the fun, playful side of romance with a touch of class - because it's okay to just enjoy the moment," says Isla-Maria. "This song is all about confidence, flirtation, and a beat that makes you want to dance in your car."
