

Join Us for Steps to a Cure: A Walk for Type 1 Diabetes Awareness

ORLANDO, FL, UNITED STATES, February 24, 2025 /EINPresswire.com/ -- [Touched by Type 1](#) is thrilled to announce the upcoming [Steps to a Cure](#) walk, taking place on Saturday, March 8, 2025, at the beautiful Lake Eola Park in Orlando. This inspiring community walk aims to raise awareness of [Type 1 Diabetes](#), generate funds for research to find a cure, and empower those living with this disease to thrive.

The poster features a group of diverse people walking together against a city skyline background. The text on the poster includes the 'TOUCHED by TYPE 1' logo, the main title 'STEPS TO A CURE' in large white letters on a purple background, the date and location 'SATURDAY | MARCH 8, 2025 | LAKE EOLA PARK', and a description: 'Join Touched by Type 1 for a fun-filled morning complete with a walk, vendors, games, food and fun for the whole family!'. It also includes the registration link: 'Register Now at www.touchedbytype1.org/steps-to-a-cure'.

Steps to a Cure offers participants the chance to unite with friends, family, and colleagues in support of a vital cause. By joining this event, you contribute to spreading knowledge about Type 1 Diabetes and supporting the ongoing efforts to improve the lives of those affected.

Event Details:

Date: Saturday, March 8, 2025

Location: Lake Eola Park, Orlando

Participants are encouraged to educate their loved ones and coworkers by sharing the comprehensive and easy-to-read fact sheet on Type 1 Diabetes. Additionally, help grow your team by sharing our specially designed graphics on social media and texting friends.

Touched by Type 1 is committed to creating positive experiences for those affected by Type 1 Diabetes, not just in Orlando, but across the country. Your support is crucial in helping us continue to make a significant impact in the Type 1 community.

Join us for this meaningful event and help make a difference in the lives of many. Together, we bring hope and inspire those living with Type 1 Diabetes.
