New City Shopping Center: A Premier Location in Rockland County

Located at "Main and Main" in the heart of Clarkstown, New City, Rockland County, the New City Shopping Center is positioned as the area's most strategically located retail hub. Acquired in October 2022, the property has undergone extensive upgrades to enhance its tenant mix, design, and customer experience. The property was acquired in a joint venture between KABR Group of Englewood, New Jersey, and BTF Capital of Rockville Centre, bringing together deep

expertise in redevelopment and value-driven real estate investments. "This redevelopment has been a transformative process," said Ben Malinsky, who has been overseeing the construction and redevelopment**. "We have worked diligently to modernize this property, ensuring it reflects the highest standards for today's retailers and consumers. The new ShopRite is just the beginning of what's to come for the New City Shopping Center."

"The excitement surrounding the renovation of the New City Shopping Center and the grand reopening of ShopRite is incredible," said Kenneth Schuckman, President of [Schuckman Realty](#). "The newly executed long-term lease with Inserra Supermarkets is a testament to the strength of this location. We're seeing extraordinary demand from both national and regional tenants who want to be part of this transformation. Multiple leases have already been signed or are in active negotiations for most of the vacant space. Our goal is to upgrade the tenancy to reflect the quality of the enhanced shopping experience with the new grand reopening of ShopRite."
