The Global Outsourcing 100 serves as a benchmark for quality, innovation, and excellence, highlighting the world's top IT outsourcing service providers and advisors in the tech industry.

“

Being recognised on IAOP's Global Outsourcing 100 reflects our commitment to delivering value-driven solutions fostering long-term client success as we continue to shape the future of IT outsourcing.”

Andriy Krupa, CEO of ELEKS

Now in its 19th year, the 2025 edition recognises organisations that demonstrate outstanding performance, adaptability, and leadership in an evolving market.

Excellence in IT Outsourcing Performance and Innovation

Selected through a rigorous evaluation process, the list is curated by an independent panel of outsourcing experts with technical expertise. It recognizes companies that excel in key areas such as innovation, customer satisfaction, and overall business impact. This year, ELEKS has been recognised in the Leader Judging Size category, further

underscoring its position as a top-tier outsourcing provider.

ELEKS' consistent inclusion reflects its dedication to delivering cutting-edge digital solutions, fostering strategic partnerships, and driving digital transformation. The company's ability to

combine technological expertise with industry insight has solidified its reputation as a trusted outsourcing partner.

"As outsourcing and global sourcing continues to grow and evolve, the organizations recognized in the 2025 Global Outsourcing 100 exemplify the highest standards of excellence, innovation, and social responsibility," said Debi Hamill, CEO of IAOP. "These companies are driving the industry forward, delivering exceptional value to their clients, and making a meaningful impact on communities around the world. IAOP is proud to celebrate their achievements."
