

Sean Connery's 'Cybersecurity in the Gaming Industry: Protecting Your Casino from Hackers' Becomes #1 Best Seller

To celebrate this incredible achievement, a book signing party will be held at the Orbis Solutions offices on February 25, 2025

LAS VEGAS, NV, UNITED STATES, February 21, 2025 /EINPresswire.com/ -- Renowned author and cybersecurity expert Sean Connery has achieved a remarkable milestone with his latest book, "Cybersecurity in the Gaming Industry: Protecting Your Casino from Hackers," which has soared to the #1 spot on the best-seller list. This achievement marks Connery's third best-selling book, solidifying his reputation as a leading authority in the field of cybersecurity.

“

I am deeply honored and thrilled to see my book resonate with so many people. Cybersecurity is a vital aspect of the gaming industry, and I hope this book serves as a valuable resource”

Sean Connery, CSO

"Cybersecurity in the Gaming Industry: Protecting Your Casino from Hackers" provides an in-depth exploration of the unique cybersecurity challenges faced by the gaming industry. Drawing from Connery's extensive experience and knowledge, the book offers practical advice, real-world examples, and step-by-step instructions to help casino executives, IT professionals, and employees defend against cyber threats. The book covers a wide range of topics, including detecting security breaches, avoiding compliance nightmares, recognizing insider threats, and preparing for cyberattacks.

To celebrate this incredible achievement, a book signing party will be held at the Orbis Solutions offices on February 25, 2025. Fans and readers will have the opportunity to meet Sean Connery in person, get their copies of the book signed, and engage in discussions about the critical

importance of cybersecurity in the gaming industry.
