Since its inception, the Springboard Women's Health Accelerator has fueled the growth of women's health companies, helping founders navigate the complexities of the healthcare industry while connecting them with top-tier investors and partners. With the support of the 2025 Women's Health Council, this year's cohort will gain access to mentorship and opportunities to accelerate their impact.

"The Women's Health Council is a cornerstone of our accelerator program," said Julie Silverstein, Acting CEO of Springboard Enterprises. "Their collective experience and dedication to innovation in women's health provide invaluable support to the companies in our program, ensuring they have the resources and guidance they need to be successful."

The 2025 cohort for the Women's Health Accelerator Program will be announced soon.

### About Springboard Enterprises

Our mission is to accelerate the growth of women-led entrepreneurial companies through access to essential resources and a global community of experts. We are a leading network of industry experts, investors, and innovators dedicated to building companies at scale led by women who are transforming industries in technology, life sciences and healthcare. Since 2000, over 930+ Springboard portfolio companies seeking investment and human capital for product development and expansion have created over \$61B in value. With 225 exits to strategic acquirers, 28 IPOs, and 10 Unicorns, Springboard Entrepreneurs are transforming industries.
