HOUSTON, TX, UNITED STATES, February 22, 2025 /EINPresswire.com/ -- Coerver Coaching, the world-renowned soccer training program, is thrilled to announce the launch of its exclusive 12-week technical program designed "Just for girls", starting on March 2nd at JC Sports. This program is a unique opportunity for young female athletes to enhance their technical skills and build confidence in a supportive environment.

Developed in partnership with legendary professional soccer player [Kristine Lilly](#), this program focuses on improving individual technical skills while emphasizing teamwork and collaboration. With an environment tailored specifically for girls, participants will feel free to make mistakes, learn from them, and grow both as players and teammates.

Coerver Coaching is recognized as the number one soccer coaching program in the world, and our partnership with Adidas reflects our commitment to providing top-tier training and resources. Due to the program's immense success and popularity in Houston last year, where it quickly sold out, we
