About Globalturk Capital:

Founded in 2011, with operations in Istanbul and London, Globalturk Capital helps Turkish companies accelerate growth by securing foreign strategic and financial partners, including private equity and venture capital. The firm also supports post-partnership processes and assists companies seeking to sell by connecting them with potential buyers.

Additionally, Globalturk Capital provides strategic business development consultancy, guiding Turkish and other emerging market companies through growth via acquisitions or direct investments in the UK, Europe, and the US. The firm also advises foreign private equity and venture capital funds, as well as multinational companies, on expanding through acquisitions or partnerships in Türkiye and other emerging markets.

Since 2015, Globalturk Capital has been dedicated to raising awareness and understanding of private capital in Türkiye by organizing international private capital events in Istanbul, London, New York, and Washington, D.C., in collaboration with international institutions like GPCA and LSE. These events have become the premier gathering for investors from around the world, not only in Türkiye but across the region.
