

Conserv FR 430 SC Convertible Upright Freezer-Refrigerator: Compact, Versatile, and Energy Efficient

HOUSTON, TX, UNITED STATES, February 24, 2025 /EINPresswire.com/ -- The Conserv FR 430 SC Convertible [Upright Freezer-Refrigerator](#) is a compact and adaptable storage solution, designed to meet the needs of various environments, from kitchens and garages to basements and dorm rooms. With a 4.3 cu. ft. capacity, this unit efficiently accommodates both frozen and fresh items while offering the flexibility to switch between freezer and refrigerator modes as needed.

The appliance is constructed with a fingerprint-resistant stainless steel finish, maintaining a clean appearance with minimal upkeep. Its garage-ready design allows it to function in ambient temperatures ranging from 0°F to 110°F, ensuring reliable performance in different settings. The [manual defrost system](#), complete with a built-in drain, simplifies maintenance. Additional features such as adjustable legs, a reversible door, and a flush back design enable seamless placement in compact spaces.

Inside, the unit is equipped with two adjustable shelves and a pull-out drawer, facilitating organized storage. "Certified by CSA and E-Star, the Conserv FR 430 SC utilizes R600a refrigerant, prioritizing energy efficiency and environmental sustainability." Quotes Nick Matthews, Marketing Executive at Equator Advanced Appliances. Operating at a quiet 42dB, it minimizes noise, making it suitable for shared or quiet spaces.

The Conserv FR 430 SC Convertible Upright Freezer-Refrigerator is available for \$309 at Home

Conserv FR 430 SC Convertible Upright Freezer-Refrigerator: Compact, Versatile, and Energy Efficient
