

Complete Discovery Source and Relativity Launch “5 in 5” Video Series for Legal Data Professionals

CDS & Relativity launch 5 in 5, a fast-paced series delivering AI insights for eDiscovery, breaking down key topics in just five minutes.

NEW YORK, NY, UNITED STATES, February 24, 2025 /EINPresswire.com/ -- Complete Discovery Source (CDS), a leader in [eDiscovery](#) services, today announced that they are partnering with Relativity, a global legal technology company, to introduce a new educational video series, 5 in 5. This innovative series is designed to deliver fast, actionable insights to legal teams, eDiscovery professionals, and technology enthusiasts on the transformative impact of artificial intelligence (AI) on the legal sector.

Complete Discovery Source and Relativity launch 5 in 5, a fast-paced eDiscovery video series.

Throughout the series, experts from CDS and Relativity tackle five key eDiscovery-related questions in five minutes, breaking down complex workflows and AI-powered tools into easy-to-understand solutions. As part of CDS’ ongoing commitment to equipping legal teams with the most efficient, reliable tools, 5 in 5 serves as a valuable guide to building confidence in AI for [eDiscovery workflows](#).

“

Relativity is proud to collaborate with Complete Discovery Source (CDS) on 5 in 5 to help simplify the complexity of AI in eDiscovery for legal professionals.”

Elise Tropiano, Senior Director of Product at Relativity

“At CDS, we’ve always been committed to leveraging the latest technologies to enhance our clients’ eDiscovery processes,” said Vinnie Budhram, COO at CDS. “In collaboration with Relativity, 5 in 5 offers a quick and insightful way to help our audience better understand the

growing role of AI in eDiscovery, and how it can streamline review processes and boost productivity.”

“Relativity is proud to collaborate with CDS on 5 in 5 to help simplify the complexity of AI in eDiscovery for legal professionals,” said Elise Tropiano, Senior Director of Product at Relativity. “We’re excited to showcase how AI technology can improve efficiency, accuracy and confidence in eDiscovery workflows, ultimately empowering users to do more with less.”

In each episode of 5 in 5, thought leaders from CDS and Relativity will explore a different aspect of AI in eDiscovery, from best practices to security considerations. The experts discuss the ongoing transformation of first-pass document and privilege review with the use of tools like Relativity aiR for Review and Relativity aiR for Privilege and how Relativity aiR for Case Strategy enables legal teams to move seamlessly from document review to strategizing.

The first five-minute episode, hosted by CDS’s Michael Milicevic and Relativity’s Elise Tropiano, [is now available here](#). Future episodes will be released throughout the year, addressing the evolving role of AI in the legal industry.
